

STEM OPT Application Checklist

Application Filing Window

USCIS can accept your application 90 days before your OPT EAD End Date and must be received by USCIS before your OPT EAD card expires. Applying outside of the application window will result in a denied application.

STEM OPT Application Steps

1. Request an OPT I-20 from the ISS Office. Please gather the following items and email them to internationalstudents@ucr.edu. Please allow 7-10 business days for an ISS Advisor/DSO to review your documents to determine if you are eligible to apply for OPT.

- [Form I-983 Training Plan](#) (Completed by you and your employer), I-983 Remains with ISS & does not go to USCIS
 - [I-983 Instructions](#)
 - [I-983 Sample](#)

 - **Do NOT submit an I-765 to USCIS until you receive an OPT I-20 from the ISS Office**

Paper Filing Application | [USCIS Instructions](#)

On April 1, 2024 USCIS raised the fee for the paper filing option to **\$520** and the online filing option to **\$470**. We recommend using the online application as it is a more cost effective option in addition to providing you the ability to track your application immediately after it's submitted.
